

The Great Southern Factor Inc.
and
Gilbert Wines

Proudly bring you two very special screenings
Of
Genevieve (G)

May 30, part of the Albany Classic Car Event

Directed by Henry Cornelius and starring Dinah Sheridan, John Gregson, Kay Kendall and Kenneth Moore. This quirky classic British comedy (in Colour) is about two competitive men (John Gregson & Kenneth More) who are more obsessed with their near 50 year old vintage automobiles (one of which is the title character) than they are the beautiful women (Dinah Sheridan & Kay Kendall!) in their lives. The story takes place during an annual classic car club road rally from London to Brighton and back, one weekend.

Genevieve has such wonderful link to the Albany Car Classic. The actual car featured in the film (film actually named after the car) was located in Albany for a number of years at the Extravaganza owned by Paul Terry and could be considered one of the reasons the Albany Classic was revived many years ago.

Don't miss this opportunity to come down to the Museum and view the wonderful display of archival photographs of the Albany Car Classic and enjoy the film that has such a significant history with Albany.

**Genevieve (G) is screening 2pm and 8pm at the Eclipse Building at the Western Australian Museum Albany overlooking picturesque Princess Royal Harbour
277 Princess Royal Dr, Albany**

Join us for the opportunity to **taste a fantastic selection of wines from Gilbert Wines, Mount Barker** before each screening. Tasting commences 1.30pm and 7.30 pm respectively for feature to commence at 2pm and 8pm sharp.

Tickets \$15 at door, seating limited!

To reserve your seats please email sarah@gsfi.org.au or phone 0401 911 240.
